Mr. William A. Nealy, Director
Division of Sanitary Engineering
State Department of Health
Concord, New Hampshire

Concord, N.H.

Dear Bill:

You have requested my opinion as to whether or not a travel camp for juveniles may be licensed under the provisions of the regulations of the State Department of Health governing juvenile recreation camps.

In view of the fact that your regulations specifically provide that a juvenile camp is one which has a specific location, buildings, equipment, water supply, etc.. I do not believe there is any method by which you may license a juvenile camp which will be mobile as is contemplated by Dr. Vorgeas and therefore it is my opinion that you may not issue a license in this case.

Sincerely,

Arthur E. Bean, Jr.
Assistant Attorney General
